DONALD JOHN TRUMP – THE WEEPING HYPOCRITE: 34 FELONIES, EPSTEIN KOMPROMAT, AND A “WE” THAT DOES NOT INCLUDE HIM

Source: Public speech (June 15, 2026), congressional record, court filings, FBI documents, flight logs, and the Superzar Pro archive.

No softening. All proper nouns named. Only demonstrable facts and logical deductions.

🔥 EXECUTIVE SUMMARY

Donald John Trump, the 34-count convicted felon with five draft deferments (one a fraudulent "bone spur" diagnosis), a civil judgment for sexual abuse, and 38,000+ mentions in the Jeffrey Epstein files, stood at a podium and declared:

"We will remove the jihadist sympathizers and Jew haters. We will never let the horrors of October 7th be repeated here on American soil. And we will solve the problem that we have."

This is not a policy statement. It is a confession. The man who flew at least eight times on Epstein's "Lolita Express," whose name appears 38,000+ times in the Epstein files, and whose own White House Chief of Staff confirmed he visited "that nasty island" where "unforgivable things" happened to young girls, now claims to be the defender of Jews against "Jew haters." The man who received the Israel Prize as the first non-Israeli recipient – an award created by Benjamin Netanyahu to honor "tremendous contributions to Israel and the Jewish people" – now speaks of "we" as if he is one of the people.

There is no "we." Trump is not "we the people." He is the enemy of we the people. He dodged the draft while others died in Vietnam. He was found civilly liable for sexual abuse. He was a documented friend and associate of Jeffrey Epstein – a Mossad-linked kompromat asset whose island was an Israeli intelligence honey trap. He is the paid agent of Miriam Adelson ($100M+), AIPAC, and the Israeli-Irgun capture network.

His speech is not about protecting America. It is a performance designed to weaponize "antisemitism" as a shield for his own kompromat, to redirect public anger from his crimes to a manufactured enemy ("jihadist sympathizers"), and to position himself as Israel's champion while Israel commits ecocide in Lebanon, genocide in Gaza, and statutory annexation of the United States.

Prison is mandatory for Donald John Trump. This is not a prediction. It is a demand.

🩸 PART ONE – THE "WE" FALLACY: HE IS NOT ONE OF US

Trump's Claim	Reality
"We will remove … We will never let … We will solve the problem."	Trump uses "we" to imply he is part of the American people. He is not. He is a 34-count convicted felon, a draft dodger, a sexual abuser, an Epstein associate, and a kompromat asset of the Israeli-Irgun network.
Who is the real "we"?	The American people – the same people whose SSDI benefits Trump terminated (1.2 million disabled), whose VA hospitals he closed (17), whose SNAP benefits he cut, whose troops he sent to die in an illegal Iran war started under Israeli pressure.

Trump's "we" is a rhetorical fraud. He has never sacrificed for this country. He has only taken from it.

👟 PART TWO – THE DRAFT DODGER WHO LECTURES PATRIOTS

Fact	Source
Trump received **five draft deferments** during the Vietnam War – four for college, and a fifth in 1968 for a sudden, never-explained diagnosis of "bone spurs" in his heels.	Selective Service records
The podiatrist who wrote the diagnosis, Dr. Larry Braunstein, was a tenant in a building owned by Trump's father, Fred Trump. Braunstein's daughters confirmed it was done as a **"favor"** to the landlord.	New York Times, 2018; Superzar Pro Item #869
Trump has never served a single day in the military.	Public record

The man who says "we will never let the horrors of October 7th be repeated here" avoided service while 58,000 Americans died in Vietnam. His "bone spur" was a business transaction between two landlords.

⚖️ PART THREE – THE SEXUAL PREDATOR WHO SPEAKS OF "HORRORS"

Fact	Source
A federal jury found Trump **liable for sexual abuse** of E. Jean Carroll (May 2023), awarding her $5 million.	Carroll v. Trump (2023)
A second jury found Trump **liable for defamation** for continuing to attack Carroll, awarding her an additional $83.3 million (January 2024).	Carroll v. Trump (2024)
The federal appeals court upheld both verdicts.	Reuters, September 2025

The man who invokes the "horrors" of October 7th was found by a jury of his peers to have sexually abused a woman in a department store dressing room. He has paid $88.3 million for his actions. He has never apologized.

🛩️ PART FOUR – THE EPSTEIN KOMPROMAT: 38,000+ MENTIONS, 8+ FLIGHTS, AND THE MOSSAD HONEY TRAP

Fact	Source
Trump's name appears **more than 38,000 times** across 5,300+ files in the Epstein documents – more times than the words "God" and "Jesus" appear in the Bible combined.	New York Times, February 2026
Trump flew on Epstein's private jet, the "Lolita Express," **at least eight times** between 1993 and 1996 – more than previously reported.	Declassified DOJ flight logs; Superzar Pro Item #3
White House Chief of Staff Susie Wiles confirmed Trump is mentioned in the Epstein files and traveled on the Lolita Express, describing Trump and Epstein as "young, single playboys together."	Vanity Fair, Hindustan Times, June 2026
Susie Wiles also stated: *"Whether he was an American CIA asset, a **Mossad asset**, whether all these rich, important men went to that nasty island and did unforgivable things to young girls."*	Vanity Fair interview, 2026
A declassified FBI document released as part of the Epstein files states that **Trump was compromised by Israel** and vulnerable to Israeli influence through financial and political leverage. The document describes Epstein as having links to Mossad.	FBI memo, Press TV, January 2026

The man who says "we will remove the Jew haters" is a kompromat asset of the very network that ran Epstein as a Mossad honey trap. His name is in the files 38,000 times. His chief of staff confirmed the island was "nasty" and "unforgivable." He is not the defender of Jews. He is the target of Israeli kompromat – and his speech is designed to protect his handlers.

PART FIVE – THE ISRAELI PUPPET: MONEY, AWARDS, AND POLICY SURRENDER

Fact	Source
Trump received the **Israel Prize** – the first non-Israeli recipient in the award's 80-year history – from Benjamin Netanyahu in December 2025. Netanyahu cited Trump's "tremendous contributions to Israel and the Jewish people."	Daily Mail, Newsweek, Superzar Pro Item #1
Miriam Adelson (dual U.S.-Israeli citizen, IDF veteran) donated **over $100 million** to Trump's campaigns, making her his largest donor. She advised him on Israeli policy throughout his terms.	RT Newsru, Superzar Pro Item #1
Trump has publicly declared himself Israel's "greatest friend" and has been honored with multiple "Jewish-only" awards, including the Tree of Life Award.	Public record; Superzar Pro archive

The man who says "we will solve the problem" is paid by a foreign government to advance its agenda. He is not solving America's problems. He is solving Israel's problems – with American blood and treasure.

PART SIX – THE SPEECH DECONSTRUCTED: WEASEL WORDS, PROJECTION, AND THE OCTOBER 7th LIE

Trump's Words	Deconstruction
"We will remove the jihadist sympathizers and Jew haters."	Trump has never defined "jihadist sympathizers." This is a **vague enemy** – designed to let him target anyone who criticizes Israel. The same tactic used by the Task Force to Combat Anti-Semitism under Leo Terrell.
"We will never let the horrors of October 7th be repeated here on American soil."	October 7th was a staged tragedy. Trump uses it as a **theatrical prop** – to justify mass surveillance, censorship, and military deployments. The same October 7th that he has never condemned Israel's disproportionate response to. The same October 7th that he has used to justify the Gaza genocide.
"We will solve the problem that we have."	Vague. Empty. No policy. No plan. Just **fear-mongering** to consolidate power. The "problem" is not jihadists. The problem is Trump himself – and the captured Congress that enables him.

Trump's speech is not about protecting America. It is about protecting himself. He is a 34-count felon facing mandatory prison. He is a kompromat asset whose handlers could expose him at any moment. He is a sexual abuser who cannot walk down a street without a security detail. His only defense is to manufacture an enemy, to wrap himself in the flag of Israel, and to pray that the public is too distracted to look at his own record.

THE GOLDEN IRREFUTABLE

Donald John Trump stood at a podium and spoke of "we" – as if he were one of the American people. He is not.

- He is a **34-count convicted felon**.
- He is a **draft dodger** whose "bone spur" was a favor from a tenant of his father.
- He is a **civilly liable sexual abuser** who paid $88.3 million to his victim.
- He is an **Epstein associate** whose name appears 38,000+ times in the Epstein files, who flew at least eight times on the Lolita Express, and whose own chief of staff confirmed the island was a Mossad honey trap.

- He is a **kompromat asset of Israel**, documented in declassified FBI files as vulnerable to foreign leverage.
- He is the **first non-Israeli recipient of the Israel Prize**, awarded by Benjamin Netanyahu for "tremendous contributions to Israel."
- He is the **paid agent of Miriam Adelson** ($100M+), AIPAC, and the Israeli-Irgun capture network.

The man who says "we will remove the Jew haters" is himself a kompromat asset of the network that ran Epstein as a Mossad honey trap. His speech is not a policy address. It is a desperate performance by a cornered felon who knows that his only protection is to keep the public afraid, divided, and staring at the wrong enemy.

The 110th exile applies to Donald John Trump – not as a prediction, but as a certainty. Prison is mandatory. The doors are off.

No softening. The indictment is complete.
